

# CARE Classroom Family Guide

*This page is now archived because it relates to information for the previous school year.*

## Welcome!

We are excited that your child is participating in a CARE classroom (<https://dcpsreopenstrong.com/schedule/care/>) at our school! In the CARE class, your child will:

- Participate in live, virtual instruction with their teacher.
- Complete independent work assigned by their teacher.
- Participate in enrichment activities (e.g. movement breaks, games).
- Eat breakfast and lunch.
- Play outside (weather permitting) for recess.

## Arrival & Dismissal

Your school will provide student arrival and dismissal time information. Please note that Wednesdays are a half-day.

Please ensure you complete the first two steps of the [Ask Ask Look protocol \(https://dcpsreopenstrong.com/health/students/\)](https://dcpsreopenstrong.com/health/students/) at home. Upon arrival, students will use hand sanitizer, receive a mask (if not already wearing one), and complete the “look” step of the screening (including temperature check).

As a reminder, there is no afterschool care. Please be sure to pick up your child on time.

## What To Bring

Please have your child bring their DCPS-issued technology (Surface Go, laptop, or iPad) with them on the first day of CARE. This device will stay at school.

PK and K students should bring a full change of clothes to keep at school.

PK students should bring a small sheet, blanket, or pillow to be used during naptime. This will be returned home each week for laundering.

(optional) A zip-lock bag with small items that will be comforting and reassuring for the child. This can include a small stuffed animal, a family picture, or a small toy (“fidget”) that is meaningful for the child. The child’s name should be on the bag, and the items in the bag will only be used by the child during times when they need comfort or reassurance, especially in the “calming corner.”

## Important Documents For Student Participation In CARE Classroom Programming

Families should review and complete the following documents provided to you by your school for students in CARE Classroom programming. These items are also available to download online at [dcpsreopenstrong.com/schedule/care](https://dcpsreopenstrong.com/schedule/care) (<http://dcpsreopenstrong.com/schedule/care>).

To minimize the risk of exposure to COVID-19 in CARE classrooms, parents are expected to do a daily student health screening called Ask Ask Look. Please ensure you complete the first two steps of the [Ask Ask Look protocol \(https://dcpsreopenstrong.com/health/students/\)](https://dcpsreopenstrong.com/health/students/) at home. Upon arrival, students will use hand sanitizer, receive a mask (if not already wearing one), and complete the "look" step of the screening (including temperature check). You are expected to sign a screening tracker each day that notes these steps were taken each day your child attends a CARE classroom. Please share the signed tracker each day when you arrive.
