	<ul style="list-style-type: none"> The entry point that most allows for social distancing/staff oversight should be selected. <p>Based on the volume of students and availability of staff, schools should select more than one entry point to improve the arrival process.</p> <p>Please indicate the number of entry points.</p>	<p>and OSSE Bus students</p> <p>2. Health Isolation Room	<p>Each school is required to designate a COVID-19 related Health Isolation Room separate from the nurse's office. A student who shows COVID-19 symptoms during the arrival process or school day is to be directed to the specific room until they can be picked up by a guardian. Be a minimum of 850 square feet to accommodate 10 students. If a room this size is not available, the number of students that can be accommodation will be reduced. If possible, the room should have an en-suite bathroom. Otherwise, a nearby all-gender toilet room should be identified for use by students in the Health Isolation Room. <p>Have chairs or desks available to accommodate students.</p>	<p>Room 108 is less than 100 feet away from both entrances being used. The room has its own single bathroom.</p>
Guardian Pick-Up Space	<p>Each school is required to designate a Guardian Pick-Up Room. Students will be directed here if they do not have a designated classroom to attend that day and have passed the OSSE "Ask, Ask, Look" protocol.</p> <p>For additional information on scenarios in which students would come to this room, please see "Unanticipated Student Scenarios" section.</p>	<p>Front conference room space</p>
